Catch a Walking School Bus on Fridays in October

A walking school bus is a group of parents and kids who walk to school together. Parents can walk with their kids or drop them off and let them walk with the group. Or hop on the walking school bus when it goes by your house.

8:50 am Gather at one of the 4 meeting points. Meet other Brayant parents and kids. Enjoy TREATS!

9:05 am Start walking (or biking, scootering, roller skating, etc.) to school along the routes outlined on the map.
